

WELCOME TO THE MIDDLEZOY HOUSING PROJECT COMMUNITY CONSULTATION

This Community Consultation has been organised by Middlezoy Parish Council working in partnership with Sedgemoor District Council’s Housing Development Team who are working on a housing development project to tackle the identified local affordable housing need.

The Community Consultation aims to gauge local opinion on the Parish Councils two preferred development sites. Preliminary feasibility studies are currently in process to determine whether each site is suitable for development.

Site 2 (H037)
(field of Knowelyards Lane)

Site 1 (H036)
(field off Back Lane)

Each of the development opportunities seeks to provide 28 new homes 11 of which will be new affordable homes for local people with a strong connection to Middlezoy. There is also the possibility of providing a plot and car parking to relocate the village shop on each of the sites.

Completed forms can either be left with members of the Parish Council or the Sedgemoor District Council Officers when you leave, or alternatively posted back to: **Housing Development Team, Sedgemoor District Council, Bridgwater House, King Square, Bridgwater, Somerset, TA7 0LW** or sent via email to affordable.housing@sedgemoor.gov.uk .

We hope you find your visit to the consultation useful and informative. For more information about this project as it progresses, please fill out your contact details below.
