We're an independent charity that gives you the power to speak up to stop crime, 100% anonymously.

Whoever you are, wherever you live, from communities to companies. By phone and online, 24/7, 365 days a year. We also share advice on how to protect the people you care about from crime, so everyone can feel safe. After receiving your call or a completed anonymous online form, we create a report that brings together all the information you gave us, making sure it doesn't contain any information that could identify you.

Your report is sent to the relevant authority with the legal responsibility to investigate crimes, make arrests and charge people in order to bring them to justice. This could be your local police force or an agency such as the UK Border Agency or HM Revenue & Customs.

Our research confirms that nearly a fifth of the public have known about a crime, but chose not to talk to the police for many reasons. Hundreds of thousands of people contact us every year secure in the knowledge that they will remain anonymous. Call us on freephone 0800 555111 or go online via our website www.crimestoppers-uk.org to give us your crime information 100% anonymously. Always.

Crimestoppers is working in partnership with Abri, one of the south of England's largest housing providers. They believe everyone has the right to a safe, warm and sustainable home, and to be a part of a community where everyone has the opportunity to belong, grow and thrive. Their central mission is to create thriving communities and empower lives. Between 2020 and 2025 they're investing £15m into communities to increase employment, improve health and wellbeing, and to empower people to take the lead where they live.
